Airports visited and enjoyed
by Sunrise pilots

Airport: BORREGO SPRINGS
ID: L06

Flight:

Distance: 80 nm

Route: Safest: East past Mt Palomar (N side), then over Warner Springs, follow road until entering valley.

Special features: Aerobatic box north of the field, home of the San Diego Aerobatic Club. Stay south of the field whenever advisories indicate the box is active.

Restaurant: ☒ **Yes** ☐ **No**

☒ **great** ☐ **good** ☐ **OK** ☐ **skip it**

Comments: Unless you come for the aerobatic box, the airport restaurant is the best feature. There is a rumor that the format may be changing from Steak House to Italian, but whatever the decision, expect great food and service from host JohnRyan.
It's hot, so you can also expect the restaurant to close during the summer months--call first to assure your welcome.
